

# Genesis Trim Accessory

## Product Information

The Genesis™ Trim Accessory is a wall plate compatible with Genesis G1 and G1R series devices. It allows a Genesis device to be mounted in a four-inch, two-gang, four-inch octagonal, or one-gang electrical box. It also is compatible with an assortment of European electrical boxes including 100 mm square. They are available in white and red, with or without a FIRE label on the trim.

The \*G1T\*\*, \*G1RT\*\*, \*G1T-FIRE\*\*, and \*G1RT-FIRE\*\* are compatible with all Genesis G1 and G1R series devices.

If applicable substitute ADT, E, M, XLS, or Z for \*.  
If applicable substitute -LG for \*\*.
